

## Save the Rainforest

**You're one in a million, and so is your opinion!** Our 1 Million Letters campaign makes it possible for you to **save the rainforest** simply by **writing a letter**, regardless of your ability to raise or donate money.

**1 letter = \$3 and protects a classroom size of land on the reserve in Ecuador**

**91 letters protects an ACRE of land on the reserve in Colombia**

### Directions:

Write a letter about why you love nature, and why we should protect it. Draw a picture to illustrate why nature is important! Include your first name, age, and state or country.

Letters will be delivered to world leaders at COP 16 in Colombia in 2024.

I like nature because the forest brings me peace. I want to protect the rare plants that can cure diseases.

First Name: Age Abby 9  
State: Country CA USA

I like Nature Because Monkeys are my favorite Animal. I want to protect them because there cutting and destroying there habitat.

First Name: Age Paige, 8  
State: Country CA, USA

For every letter, a Reserva Donor will pay \$3 toward this youth funded project to purchase land in the Choco Rainforest of Ecuador. That is enough to protect a classroom-sized area of rainforest.
